Dear Sir/Madam,

RE: CLAIM YOUR AUTO REPAIR SHOP ON BUSY WRENCH

Busy Wrench by vimfile is an online directory of auto repair shops that enables auto repair shops to connect faster with vehicle owners near them.

What is a claimed business?

A claimed business page is one that has been claimed by the owner or representative of the business through our verification process. Claiming is free and enable you to enjoy our free listing services and other services with Busy Wrench.

Why should business owners claim their business pages?

By claiming business pages, business owners gain access to a suite of free tools to showcase their businesses on Busy Wrench. With claimed business pages, you can:

- Connect faster with vehicle owners nearby
- Respond to reviews with a direct message or public comment
- Reply to messages or quote requests from potential customers
- Track User Views and Customer Leads generated
- Upload and manage photos
- Update business information like address, phone number, opening hours, services, available facilities, website, and other critical business information
- Add further information to the page, like a business owner biography, specialties, and more

Does it cost anything to claim a business page?

No, it's completely free to claim a business page on Busy Wrench.

What are the steps to claim Business on Busy Wrench.

- a. Go to www.vimfile.com
- b. Click on **"Claim Business"** on the menu
- c. Use Search Field to search for your company
- d. If found, click on claim business, provide missing information and submit
- e. If not found, no problem, simply create a new account and provide required details.

Thanks
Busy Wrench®
